18 May 2024

**ANNOUNCEMENT
MEDICAL SCREENING FOR GYALSUNG TRAINING 2024 BATCH**

The Gyalsung Headquarters is pleased to announce that the Medical Screening for youth born in 2005 and who have registered for Gyalsung Training 2024 shall commence on **1st June 2024**. In this regard, kindly note the following:

- 1. For those residing in Bhutan:** The Medical Booking module in Gyalsung Portal (<https://portal.gyalsung.bt/>) shall be open from **20th May till 15th July 2024**. Enlistees can login to the Gyalsung Portal and select their preferred date and hospital for the medical screening.
 - a. The Medical Screening for the 2024 Batch will be carried out nationwide across 23 hospitals from **1st June till 15th July 2024**.
 - b. Enlistees may reschedule their appointment up to ten days prior to the scheduled appointment, provided that there are available slots shown in the Gyalsung Portal <https://portal.gyalsung.bt/>
 - c. Enlistees who face difficulties in accessing the Gyalsung Portal should contact 2024 (Gyalsung Call Centre) to seek assistance. Please provide your name, CID, and date/hospital selected for medical screening.
 - d. On the day of the Medical Examination, enlistees shall be required to present their original CID for verification at the Hospital. Additionally, enlistees should bring along their health book or any relevant documents detailing any pre-existing medical conditions, if applicable. Kindly refer to the notification on the Gyalsung website and Facebook page on the requirements and conduct during the medical screening.
- 2. For Enlistees residing outside Bhutan:** The Medical Screening shall be open for all eligible youth from **31st July till 14th August 2024** which is closer to the commencement date of Gyalsung training 2024.
 - a. Enlistees who face difficulties in accessing the Gyalsung Portal should email registration.ghq@ns.bt to seek assistance. Please provide your name, CID, and date/hospital selected for medical screening.
