

Gyalsung/N/2024/12

31 December 2024

NOTIFICATION
MEDICAL EXAMINATION FOR GYALSUNG TRAINING 2025

The Gyalsung Headquarters is pleased to announce that the Medical Examination for Gyalsung Training 2025 shall commence on **13th January till 20th February 2025 for Enlistees residing in Bhutan**; and from **24th February - 14th March 2025 for Enlistees residing outside Bhutan**. The following youth who have registered for Gyalsung Training 2025 and have **NOT** applied for Deferment or Exemption are required to undergo the Medical Examination:

- Individuals born in 2006;
- Students born after 2006 who have completed class 12 in 2024 and applied for Early Enlistment; or
- Individuals born in 2005 who received deferment from the Gyalsung Training 2024.

The Medical Booking module in Gyalsung Portal (<https://portal.gyalsung.bt/>) shall be open from **1st January 2025**. Please take note of the following details:

1. Enlistees can login to the Gyalsung Portal and select their preferred date and hospital for the medical screening.
2. The Medical Screening for the 2025 Batch will be carried out nationwide across 24 hospitals.
3. Enlistees may reschedule their appointment up to ten days prior to the scheduled appointment, provided that there are available slots shown in the Gyalsung Portal <https://portal.gyalsung.bt/>.
4. On the day of the Medical Examination, enlistees must present their original CID for verification at the hospital and bring their health book or other relevant documents detailing pre-existing medical conditions, if applicable.
